# MUTOH & EFI Flatbeds

Mutoh has stormed into the UV Flatbed market in recent years. Now on their 3rd generation of technology, Mutoh offers two great small format UV flatbed printers that are most well-known for high quality and efficient printing of ADA/Raised Letter signage.

- 19" x 23.4" Print Area
- 5.9" Head Clearance
- Braille Printing

- 55" x 27" Print Area
- 5.9" Head Clearance
- Braille Printing

EFI is an important part of the ITNH portfolio as it is the perfect path for growing production requirements for large format and industrial printing needs. Featuring both "true-flatbed" and "hybrid - roll/rigid substrate" printing technology, EFI blends high print quality with higher production at an affordable price.

## efi Pro 30f +

- 120" x 80" Print Area
- 4" Head Clearance
- CMYK plus two white channels

## efi Pro 30h

- Maximum printable width 126"
- Maximum media thickness 2"
- Express mode maximum speed 2477 ft2/h

### Why buy your printer from ITNH?
